Rossbrook House 2014-2015 Annual Report

"No child who does not want to be alone should ever have to be" - Sister Geraldine MacNamara

2014-15 Co-Executive Directors' Annual Report

Rossbrook House has always revered Tradition, yet it is also a place that forges new Frontiers. Perhaps those gifts are two sides of the same coin and more interrelated than they seem at first glance.

In January 2016, Rossbrook House will celebrate its 40th Anniversary. Together we are marking a milestone that holds so many "remember when?" stories – the kind told around a table and are repeated again and again, always with the same delight and infectious laughter as when they were told the first time! We mark four decades of the sound of children delighting in play or the echoes of joy held in a first camp experience; miles and miles of van ride routes and immeasurable pride of watching kids take a brave risk. The time also holds experiences of loss – grappling with stark realities of poverty and racism that impact many of the young people who walk through the doors and their families. Still, in the heart of these 40 years are incredible stories of courage, tenderness, fragility, and strength.

Tradition compels us to mark this place as sacred ground for the thousands of children and youth who have walked through the doors in the past 40 years. Tradition also orients us to those who have been here before us and who continue to help shape the story even today. We learn through tradition that there are no short cuts to spring (and how well we know this in Manitoba!) However, the green shoots eventually find us and frontiers beckon.

Rossbrook House began as a place for young teenage boys. Over the years, with fine tuned listening, Rossbrook House began to hire young women, open its doors to little ones, grow programming to meet interests and needs, expand its space, and most recently, build a kitchen that has Healthy as its first name! We have been honoured to know generations of children and youth who call Rossbrook House their "home away from home." Rossbrook House is like a family – offering guidance to discover where we come from, who we are and where we are going from here.

That is what we celebrate as we mark 40 years- our history and evolution, growth and change. Tradition keeps us rooted in our founding story. It is a safe place that inspires awe. And, awe gives us wings to move forward.

As we move into 2016, we are aware of some of the changes that will greet us. After almost 10 years as Co Executive Director, I (Maria Vigna) will be retiring and moving back to my native Toronto. We have been working to ensure a transition that has lots and lots of space for imagination, creativity and newness to do what Rossbrook House does best – meet the needs of the children and youth.

With deep gratitude, we thank all of you – participants, staff, volunteers, supporters, donors, and community network agencies for being a part of the solid tradition and of the shaping of the new – both sides of the coin!

Maria Vigna Phil Chiappetta

Chairperson's Annual Report

In January 2016 Rossbrook House will celebrate its 40th anniversary. Stay tuned for details about this great event.

The many success stories over the past 40 years would not have been possible without the generous support of our many funders. These include individuals, organizations, businesses, labour groups, church groups, sports groups, and of course, our three sustaining funders: the City of Winnipeg, the Province of Manitoba, and the United Way.

These funders, together with Rossbrook's many volunteers, our dedicated staff, and our board members have all continually strived to ensure that "No child who does not want to be alone should ever have to be." (Sister Geraldine MacNamara)

As always, Rossbrook House continues to grow, adapting to meet the ever changing needs of our children and youth, be it protection, shelter, food, friendship, education, recreation or simply to be in a fun, friendly place to hang out.

Once again, to the MANY who have made and are making this possible –

THANK YOU!!
