

In January of 2019, Dale was one of the youth speakers at the No Child Alone dinner. He was only 11 years old and spoke in front of a crowd of over 500 guests.

I have been going to Rossbrook House for a couple of years now. I go there with my younger brother and sister. We like hanging out with our friends, participating in programs and going on outings. The staff at Rossbrook are awesome. They make sure that we get home safely each night. My family has moved around a lot and I used to go to another drop-in centre. I can honestly tell you that it didn't compare to Rossbrook.

Some of my favorite outings so far have been going to the movies, the Red River Ex and attending a Manitoba Moose game. Go Moose Go!

My favorite programs that I take part in, are Learning Always where I get help with math and handwriting. And the After School Leadership program, where I get to help out in the community by volunteering at Siloam Mission and Winnipeg Harvest. We also visit and play board games with the residents in long term care at Parkview Place.

Recently my family moved again and it was hard for me and my siblings to get to Rossbrook House because we have to take the transit bus. Rossbrook House and some really nice people, who I've never even met until tonight, are helping me and my siblings out by giving us bus tickets. I'm very grateful.
