

"No child who does not want to be alone, should ever have to be"

– Sister MacNamara

Rossbrook House 2022-2023 Annual Report

Executive Director's Message

What have I learned about Rossbrook House since stepping into the Executive Director position in September 2022? I have gained a deeper appreciation and respect for the behind the scenes work that occurs to ensure that Rossbrook House keeps within the spirit of what it is meant to do. Which is to ensure the vision of Sister Geraldine MacNamara remains true.

"No child who does not want to be alone, should ever have to be"

The work that my predecessors, boards, donors, staff, and community do for our children and youth is self-less and has built a strong foundation so that we can continue to be a safe place in Winnipeg's inner city for **children and youth to belong, play, learn and become...** The "heart" work that is involved to ensure this remains strong after 47 years is evident 365 days a year.

A place where everyday is a new day to succeed, education is key, play is encouraged, and leadership is fostered is what Rossbrook House represents for many of our children and youth. Where they can explore their strengths, build positive relationships, and have experiences that add to their journey. This is the place where we all want to be.

The children and youth are our teachers, they help direct what is needed at Rossbrook House. Sometimes we just need to 'open up our eyes and listen'. Our young ones are the ones that direct us,

allow us to grow, tell us what is needed, and show us the direction we need to take. With this we have enriched our current program through an Indigenous lens, with the addition of a languages program, a Spring Solstice Feast and more cultural programming. We are planning for our 24 hour summer programming, drop-programs, beach days, and summer camp at Camp Maskwa. Land-based experiences will also add to our children and youths' life experiences.

Our three off-campus schools have been working together to enrich their students' experiences with Indigenous Perspectives integrated into their programming. Rossbrook House has worked in collaboration with Wi Wabigooni, Eagles' Circle and Rising Sun to support programming for our students. In the fall, we distributed the most scholarships in one year to date – 18 in total. What an amazing celebration of continued learning. To hear the stories of those who have continued with their education was a testimony to the importance of having a place like Rossbrook House and the three schools to support children, youth, and their families.

In these changing times of added costs to fuel, groceries and supplies we do rely on our generous donors to help us continue the great work that continue to respond to the needs of more children coming through our doors. **There is a need**

for more food, more activities, and more staff hours to cover new activities, safety, and supervision. Our four pillars of funding come from the following: United Way, City of Winnipeg, Province of Manitoba, and private donors/foundations. Rossbrook House continues to provide support and fundraising for our programming and operations.

If we are to continue to make it, we need to broaden our base of support and include people, businesses and foundations who have yet to be introduced to Rossbrook House. **So please spread the word and help us share the special gift of becoming involved in the Rossbrook House community.** Please follow us on social media and share our stories of the great work that our staff does to keep our doors open 365 days a year.

I will conclude by saying 2022-2023 was a wonderful year filled with children thriving at Rossbrook House. Our staff, board, donors, and volunteers are a giving group who are committed to ensure that we adhere to Sister MacNamara's vision. So, thank YOU!

Miigwetch,

P. Mainville

Patty Mainville
Executive Director

President's Message

After a fond farewell to our beloved **Phil Chiappetta** who retired in September – the street party outside Rossbrook House, full of dancing kids, hot dogs, and heartfelt wishes was one to remember! – our new Executive Director has carried us full steam ahead into post-pandemic programming.

It's hard to imagine anyone who embodies the hopes and dreams of Rossbrook House more than **Patty Mainville**, who grew up attending the drop-in centre and is now an **extraordinary role model** in our community.

Working closely with senior staff, she's begun shaping a new era for our organization. Grounded in the simple yet profound mission set out by Sister Geraldine MacNamara nearly 50 years ago – **no child who does not want to be alone should ever have to be** – Patty and staff continue to take their lead from the children and youth themselves, attempting to match

emerging needs with desired outcomes, and offering more cultural programming than ever before.

Of course, none of this is possible without our wider community of support. The dynamic partnership between our volunteers and staff remains key to our success. Winnipeg is blessed with so many amazing people willing to donate their time and talent!

To each and every one of you who supported Rossbrook House in ways big and small over the past year, **we deeply appreciate you joining us on this ongoing journey of hope.**

As of July 2023, when Karen Cook takes over as President of the Board, two Indigenous women will be leading Rossbrook House! What a testament to the early vision of Sister Mac and her successors – it seems when you listen and you serve with humility and respect and an abiding belief in the gifts each and every one of us carry, the world changes for the better.

B. Hasiuk

Brenda Hasiuk
Rossbrook House Board President

Since 1976, Rossbrook House has been, and continues to be, a safe place for children and youth to belong, play, learn and become...

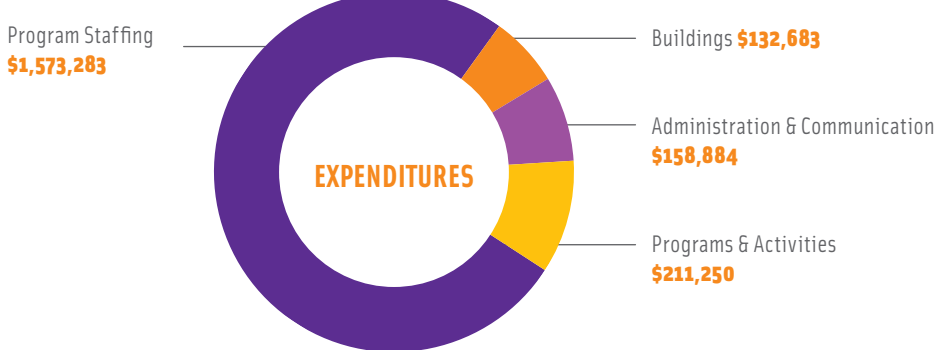

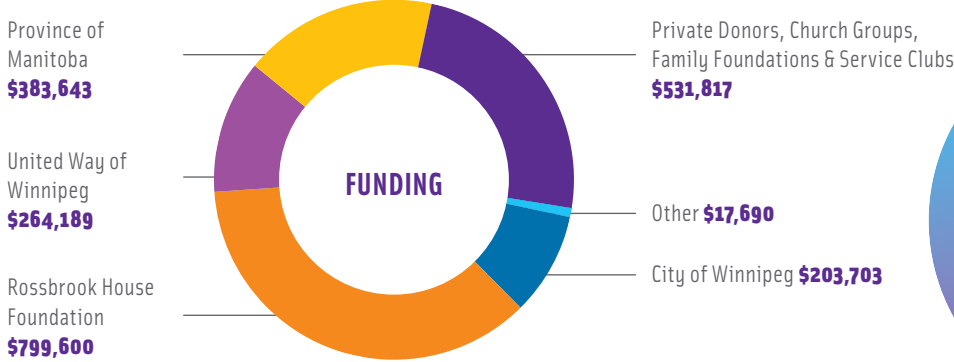

Board of Directors

Thank you to the many people who support Rossbrook House through volunteering, including the Rossbrook House Board of Directors:

- | | |

Listed donors are those who made financial gifts between April 1, 2022 and March 31, 2023.
As the No Child Alone Diner occurred in the 2023/24 fiscal year, its supporters will be included in next year's Annual Report.
