

"No child who does not want to be alone, should ever have to be"
— Sister MacNamara

Rossbrook House

2024–2025 ANNUAL REPORT

EXECUTIVE DIRECTOR'S MESSAGE

Thank you for keeping the Rossbrook House children and youth in your thoughts and actions. Your support through donations and volunteerism resulted in another 365 days of open doors providing a warm and inviting safe place for participants to belong, play, learn and become...

Creating a strong sense of belonging for young people at Rossbrook House is embedded in all we do. The range of programming continues, from hosting off-campus school programs, to providing youth with their first jobs, developing the skills and confidence they need to thrive and become who they are meant to be is the groundwork we continue after 49 years.

We are pleased to say that the many programs and activities, you can view on our website www.rossbrookhouse.ca or our social media. Many special annual events are highlighted like the *Annual Rossbrook House Powwow*, the *Cold City Warm Hearts* our joint venture of winter activities at FortWhyte Alive, with our friends from

IRCOM (Immigrant and Refugee Community Organization of Manitoba) and *Dreams Take Flight* an amazing day at Disney World sponsored by Air Canada.

This year, we celebrated and honoured Warren Goulet who retired after 48 years of service to Rossbrook House. Warren played a huge part in the fabric of what Rossbrook House has become today. At retirement, he was the Manager of Operations and Programming but started as one of the original Rossbrook House youth with Sister Geraldine Mac Namara in 1976. His strong unwavering voice to advocate for the children, youth and community was known to many. He will always be a huge part of Rossbrook House.

In his place, we welcomed Justine Carandang as our new Manager of Programs and Operations. Justine is a past participant and someone who has risen in the ranks at Rossbrook House. She is a wonderful addition that brings with her a wealth of knowledge and drive to ensure that **"No child who does not want to be alone, should ever have to be."**

This year we also welcomed Mitchell Boulette, our Indigenous Way of Life Coordinator. His area of programming included ice fishing, snaring and tracking footprints in the snow, medicine picking, inviting knowledge keepers to share teachings and stories with the children and youth. Making connections with our youth is paramount in what Rossbrook House does, this comes naturally for Mitchell as he has a calm nature about him that has the kids gravitate to him.

As we navigate through our 49th year, preparing for our 50th in 2026, we take the time to ensure that we are steadfast in our foundational values, mission and beliefs of what the Sisters have left us with. We celebrate and honour all those that came before us and plan for the next generation of Rossbrook House children and youth.

With this I say, Miigwetch to all!

PRESIDENT'S MESSAGE

It is with great pleasure and appreciation that I share this report for 2024/25. Year after year, I am amazed by the renewed energy of our team at Rossbrook House – from staff, volunteers, funders, to community and our youth participants.

This year we continued to focus on efficiency, safety and diversified funding. We successfully applied for and received funding to extend the nutrition program and enhance community partnerships and operations, all to better meet the needs of our youth. For example, with our Province of Manitoba grant, we are now able to provide healthy meals and snacks on evenings and weekends, an added component that all participants appreciate.

In terms of fundraising, our Rossbrook House Board and Foundation members took part in our first ever radiothon which was a huge success! With CJOB, one day was set aside in February to hear from participants on-air who shared their stories and spoke of the immense benefits of being part of the Rossbrook House Family.

With utmost gratitude, I'd like to thank Phil Trudeau, Janince Hargreaves, Rachel Sansregret, Gabriella Zaporozan and Todd Mondor as they step down from the Board of Directors. Thank you for your service and commitment to Rossbrook House over the years. I'd also like to welcome incoming board members Helen Peters and Daphne Comegan; we look forward to working alongside you as we embark on a new strategic plan and our 50th year celebration in 2026.

Very best,

Karen Cook
