RE: CONGRATULATIONS on your 50th Anniversary Dinner

Congratulations to Rossbrook House on your 50th Anniversary. Our council has been pleased to have supported you since you began.

This milestone has brought back many wonderful memories special to us that come to mind (and in no order)

- **we began with a bin in our church foyer for food donations, that were taken to you by-weekly. This bin continued until 2024 when we sold our church to move to our new hall at another location. We are presently using the hall for church masses until our new church can be built (hopefully in a couple of years)**
- **a one-time yearly project where a special collection was held at all masses one weekend a month**
- **preparing and serving the Graduation Dinners for several years**
- **assisting you with many monetary and in-kind donations over these 50 years**
- **collecting school supplies to help the many children that attend your schools**

We enjoy receiving your wonderful newsletters that you send to us

Congratulations to the many workers and volunteers that have helped you achieve this milestone celebration, as you are a pillar in the community.

May the future of Rossbrook House continue and grow to ensure that *'No child who does not want to be alone, should ever have to be'*.
